HOBBIES

Mastering DSA

PROFILE

Versatile **MERN** Stack Developer, proficient in MongoDB, Express JS, React JS, and Node JS, with additional experience in Python (Flask). Skilled in delivering high-performance, real-time web applications. Quick to adopt new technologies and continuously sharpening skills to stay ahead in the ever-evolving tech landscape. A dedicated problem-solver with a strong commitment to quality, collaboration, and effective teamwork.

PROJECTS

Café Ordering Web Application

Developed a full-featured web application for a café, enabling customers to order dishes from their tables, with features like **inventory management**, **order tracking**, and a **dashboard**. Integrated **Google Pay API** for secure payments and **Firebase**.

[Visit](#)

Integrating google pay API for seamless transaction

Integrated Google Pay API without depending on other payment gateways, and displaying daily transaction statistics with filtering options for easy tracking.

Google and Meta API Integration

Developed an automated system for Instagram and YouTube to respond to comments using the **ChatGPT API** and **Meta & Google APIs** for comment moderation. Gained valuable experience in **OAuth 2.0** and **Passport.js**

EDUCATION

Bachelor of computer application (BCA), Periyar Maniammai Institute of Science & Technology

Thanjavur

Aug 2023 — Present

8.25 CGPA till last semester
